

SPECIAL CONSIGNMENTS

Charter, direct, and time-critical consignments

- Really fast quotes
- Top flexibility thanks to our own fleet of vehicles plus use of scheduled and transshipment services
- Use of German and English-speaking drivers (e.g. for ship-to parties with high security standards)
- Direct transports without reloading (e.g. for sensitive and/or breakable goods)
- Time-critical consignments
- Loading and unloading with hoists or truck-mounted forklifts

Further services:

- National general cargo distribution – standard transit time of 24/48 hours (premium products: Overnight service with delivery before 10 a.m./midday/4 p.m.)
- Europe-wide general cargo distribution (own internal cargo network in France with 70 branches)
- Logistics services
- Customs – air freight – sea freight
